

SECTION F - DELIVERIES OR PERFORMANCE

F.1 CLAUSES INCORPORATED BY REFERENCE (FAR 52.252-2) (FEB 1998)

This contract incorporates the following clauses by reference with the same force and effect as if they were given in full text. Upon request, the Contracting Officer will make their full text available. Also, the full text can be accessed electronically at this internet address: <https://acquisition.gov/browse/index/far>.

Clause Number	Clause Title	Date
52.242-15	Stop Work Order	Aug 1989
52.242-17	Government Delay of Work	Apr 1984

F.2 Term of Contract

The initial term of this contract shall be for a twelve (12)-month base period, consisting of a six (6)-month transition period and a six (6)-month operational period.

The six (6)-month transition-in period shall ensure an orderly transition from the existing contract with no degradation of service. The transition-in period shall also provide the awardee adequate time to obtain the required contractor personnel security clearances, Entry on Duty (EOD) determination, facility space, staff that space and outfit applicable active participants with GPS devices in advance of day one of the start of contract performance. Contractor personnel shall be able to start work no sooner than the base period contract start date or the date the security clearance is granted (EOD), whichever is later.

This contract shall also contain four (4) one-year option periods. Offerors are required only to price the transition, base and option periods. Offerors shall not submit a price for the optional extension of services period in accordance with FAR 52.217-8. For evaluation purposes, FAR 52.217-8, Option to Extend Services, will use the last option period's pricing to determine its fairness and reasonableness.

The entire contract term including options shall not exceed 66 months (five years and six months) in duration.

F.3 Period of Performance

The estimated period of performance of this contract is as follows:

Base Operational Period – April 1, 2020 – March 31, 2021

Option Year 1 – April 1, 2021 – March 31, 2022

Option Year 2 – April 1, 2022 – March 31, 2023

Option Year 3 – April 1, 2023 – March 31, 2024

Option Year 4 – April 1, 2024 – March 31, 2025

The period of performance dates shall be provided at the time of contract award. Option periods of performance shall remain as twelve (12) months.

F.4 Place of Performance

Work shall be performed (service shall be provided) at the sites listed in Attachment 7 - Location Overview. See Section H.1. for procedure to open additional ISAP IV sites.

F.5 Contractor Evaluating Procedures

The Government will issue Contractor performance ratings via the Contractor Performance Assessment Reporting System (CPARS) in accordance with FAR 42.1502. The CPARS website is located: <http://www.cpars.gov>.
