Ryan M. Daniel

Ryan M. Daniel is Vice President, Associate General Counsel, Business and Corporate Transactions at Fresenius Kabi, LLC. He collaborates with a team of professionals who handle patent litigation, prosecution, licensing, and contract negotiation in the biopharmaceutical and medical device technology areas. Mr. Daniel graduated from Princeton University with a degree in Molecular Biology and obtained his law degree from Seton Hall University School of Law. Prior to joining Fresenius Kabi, Mr. Daniel interned with the Honorable Claire C. Cecchi of the District of New Jersey. He then practiced law at Haug Partners LLP in New York, New York and Rakoczy Molino Mazzochi Siwik LLP in Chicago, Illinois. He has worked at Fresenius Kabi for more than a decade in various corporate legal and intellectual property roles. Prior to his current role in the Fresenius Kabi Biosimilars function, he led the North American IP Group for Fresenius Kabi's Generics business.

Georgina Jones Suzuki

Georgina Jones Suzuki is Counsel at Ropes & Gray. She is a strategic IP transactions attorney with a practice at the intersection of life sciences and technology. These transactions include technology licensing and transfer, collaborations, joint ventures, mergers and acquisitions, supply and distribution arrangements, royalty monetizations, and other strategic agreements. Her clients include public and private companies, academic institutions and investors, including global pharmaceutical and biotechnology companies and leading private equity funds. Georgina's breadth of experience working with both life science and technology companies, as well as her secondment with a global pharmaceutical company, also enables her to advise clients in the digital health space (including on data, machine learning and artificial intelligence).
