

BERKELEY LAW ACADEMIC PARTNERSHIP WITH THE AMERICAN SOCIETY OF INTERNATIONAL LAW

THE AMERICAN SOCIETY OF INTERNATIONAL LAW (ASIL) is the leading association for scholars, practitioners, and students of international law. ASIL is dedicated to fostering the study of international law and to promoting the establishment and maintenance of international relations on the basis of law and justice. Founded in 1906, it brings a 100-plus-year-old tradition of convening its diverse community, comprising 4,000 members from more than 100 countries, to address the pressing international legal questions of the day.
