Bridget Amoako

Bridget Amoako is an associate in the San Francisco office of Gibson, Dunn & Crutcher LLP. She currently practices in the firm's Litigation Department.

She received her J.D. from Stanford Law School in 2023. While in law school, Bridget served as a student attorney in the Juelsgaard Intellectual Property and Innovation Clinic and as a Member Editor for the Stanford Journal of Civil Rights and Civil Liberties. She received the Gerald Gunther Prize for Outstanding Performance in Federal Courts.

David R. Singer

Studios, networks, and tech companies rely on David Singer, Co-Chair of the firm's Content, Media, and Entertainment Practice, to handle their most high-profile disputes. Blockbuster movies and hit TV shows are valuable intellectual property, and David works collaboratively with clients to overcome the high-stakes legal challenges these assets often face. Singer also has more than a decade of experience litigating antitrust cases and is Co-Chair of the firm's Antitrust and Competition Law Practice.

Frances Waldmann

Frances Waldmann is a partner in the Gibson Dunn's Los Angeles Office and a member of the Privacy, Cybersecurity and Data Innovation, Artificial Intelligence, and Antitrust groups. Her practice focuses on advising companies on a wide range of matters related to artificial intelligence (AI) and other emerging technologies. Waldman has significant expertise advising technology-focused companies on global regulatory compliance with existing laws that affect AI-related technologies, such as the FTC Act, California Consumer Privacy Act (CCPA), General Data Protection Regulation (GDPR), state biometric privacy laws, and other federal, state, and international laws and regulations.
